Penthaus	

A luxurious **220 sqm penthouse**, occupying the top floor of a modern new-build development on Jove Ilića Street, offering views towards Marakana and a carefully designed separation between the living and private areas.

Located in one of Belgrade's sought-after urban areas, this penthouse combines **generous living space, privacy and contemporary comfort**. The layout has been thoughtfully designed to create a clear distinction between the areas intended for everyday living and the more private quarters.

The spacious living area forms the heart of the home, with the living room offering views towards **Marakana**. Large glazed surfaces and direct access to the terraces create a seamless connection between the interior and exterior, while allowing an abundance of natural light throughout the day.

A Space Designed for Contemporary Living

The property has been carefully conceived to accommodate different aspects of contemporary life — from a comfortable family residence to a sophisticated professional environment. With **220 sqm of space**, the penthouse offers a rare combination of generous proportions, privacy and functionality, with the possibility of creating a dedicated home office without compromising the comfort of the residential areas.

The property has been built to **high contemporary standards**, featuring a Mitsubishi heat pump system combined with a modern fan coil system, providing efficient heating and cooling together with a high level of year-

round comfort. Additional features include an elevator, intercom and video surveillance.

The property is exceptionally well connected to the rest of the city, located just **four minutes from Autokomanda and direct access to the motorway.**
